Chaturthi tithi

Same for every city

Starts 14 September 7:06 AM,
ends 15 September 7:44 AM

Madhyahna muhurat, Bhopal

The main window for sthapana and the puja

11:02 AM to 1:30 PM**Madhyahna muhurat, Indore**

The main window for sthapana and the puja

11:08 AM to 1:36 PM

The tithi is the same across India. Local sunrise and sunset move the puja muhurat by a few minutes from city to city, so check your own city's panchang if you want to have the most accurate timings for your city.

ON THE DAY

Keep the phone propped up and open Episode 6 (sankalp, aavahan and the steps), then Episode 7 for the 21 durva and 21 modak, and Episode 8 for the mantra and the aarti. Your course page puts all three one tap away on 14 September.
